## Discussion paper on welfare

A discussion paper 'Thinking Afresh About Welfare' has been released last month by the Church of England.

The paper, by Rev Dr Malcolm Brown, Director of the Mission and Public Affairs Division of Archbishops' Council, was endorsed by the May meeting of the House of Bishops as a discussion document.

Malcolm Brown said: "This is a considered response to the changing face of welfare provision, to help discussion across the church. It is not a policy paper, but aims to be a thoughtful contribution to the welfare debate."

## Editor on leave of absence

This magazine is to cover both July and August due to the editor being away for a

few weeks as he takes up the onerous task of volunteering at the British Open Golf at Carnoustie followed by the Senior Open at St Andrews, Scotland, before returning to Gravesend for the Stay Sure Seniors Event at the London Club at Ash

## WORKING PARTY

'In order to save on expensive cleaning and maintenance, we hold a monthly working party on a Saturday morning starting at 09.30.

Together we clean and tidy the church, do a bit of necessary DIY or gardening, have a coffee and often some home-made goodies – and finish by about 11.30.

We are enormously grateful to the few loyal helpers who turn up month after month – but we desperately need a few more.

Please consider putting the dates into your diary and coming along. All are welcome – if you can do basic DIY please let us know in advance so that the churchwardens can plan jobs in advance.

**Working party is almost always on the second Saturday of each month...  
NOTE the next ones will be on 14 JULY and 14 AUGUST at 9.30.**

**See you there, JAN**

## PEACE CANDLE IN REMEMBRANCE OF THOSE THAT WENT BEFORE

You may well have seen the 'Peace Candle' that was used at the WW1 commemoration service on 4<sup>th</sup> August, 2014 now in the sanctuary. The candle will remain in place throughout the 4 years of commemoration and will be lit at each Sunday and Wednesday service, as a reminder to us

all to pray for peace in the many areas of conflict throughout the world. When you see the candle, please remember to pray for those caught up in conflict. The sign near to the candle records the areas of conflict most in our prayers at any given time (though there are other 'hidden' conflicts that rarely appear on our televisions). If you would like an area of the world added to the list, please speak to Rev Jacqueline.

**FIRST STEPS**  
13TH JUNE 2018  
**JESUS CALMS THE STORM**

It's a bit cloudy when our naughty little sheep gets us this morning, but there are signs of brightness so he's hopeful that the weather will be fine for our First Steps service this afternoon. And there is cloudy sunshine for our walk to church later. In we go and as always our naughty little sheep and his friends find somewhere comfy to sit while they watch me get things ready for our service. Linda soon arrives and gets busy in the hall. Then Jan and Anne join us and it is time to open our big church doors. First in today is Mum Ruth and her two sons Ethan and Louis. It is really good to see them. New baby Rupert comes along later with Mum Emma, big sister Abigail and Auntie Lisa. Soon we have a nice little crowd for our service. And with jingle bells at the ready, it is time for us to begin. I light our candles and we sing that "God is here with us, God is in the light"

Today we are thinking about Jesus calming the storm. Our naughty little sheep and his friends begged me to tell this story because it is one of their favourites. It is a bit scary but it does have an amazing ending. We sing about our God who is so strong and so mighty and Jesus certainly proves that at the end of our story. But we must begin at the beginning! Jesus has been very busy talking to people and healing them when they are sick and now he needs a rest. His disciples get a boat ready for a trip across the Sea of Galilee, which is a big lake. They set sail and the lake is very calm and still. Jesus goes to the back of the boat, finds a soft cushion, makes himself comfortable and drops off into a very deep sleep. Well, he is very, very tired.

Everything seems fine for a little while and the disciples are relaxing while Jesus sleeps. Suddenly the wind begins to blow and the clouds gather. There are little waves, then bigger waves and then very big waves. The sky becomes very

dark and thunder and lightening fill the air. Our naughty little sheep and his friends are beginning to get anxious, a bit like the disciples! Water starts to come into the boat and as fast as the disciples try to bale it out, the faster it comes in. The boat creaks ominously and they're frightened that it will sink and they will all drown. Jesus sleeps on, in spite of the storm. The disciples don't really know what to do so they wake Jesus up, telling him about the dire situation that they're in. Jesus makes his way to the prow of the boat, holds out his arm and says, "Peace, be still." The wind dies away, the storm ceases and the lake is calm once again. The disciples are amazed and slightly frightened of Jesus because of his awesome power. They look from one to the other in bewilderment, "Who is this man that even the winds and the waves obey him!"

Our naughty little sheep and his friends think that this is such a great story. They too are in awe of Jesus, just like the disciples. And so should we be, too. Wow! After all that excitement and the jingling bells and our singing it is time for our prayers and everyone is very good and quiet, as we thank God for bringing us together and for all the gifts that he gives to us each day. Then it is time to go into the hall for a drink, a biscuit and some time to play and chat. Our naughty little sheep and all his friends make themselves comfortable after their refreshments so they can watch the children play. Priest Jacqueline will be taking our next First Steps service on 11 July because I can't be there but I hope that everyone will come and join her, along with our naughty little sheep and his friends.

**God Bless Rosemary Austin**

## Christ Church 200 Club

**The 200 Club** is a means of raising money for the Christ Church General Fund, which supports the Ministry and Mission of the church and Good Causes as agreed by the PCC, whilst at the same time giving members the opportunity of a small 'flutter' and the chance to win some money.

**Membership** costs £30 per year. Fifty percent of all monthly donations are given over to the Christ Church General Fund with the remainder being returned to the membership in prize money. The draw is made on the fourth Sunday of every month in the hall after the morning service.

**Payment** can be made by an annual sum of £30, a quarterly payment of £7.50 or a monthly payment of £2.50, the latter two by bankers order. Cheques should be made payable to Christ Church PCC No 3 account.

**Join** by contacting John Thrush, in church, and completing an application form. If you are not sure who John is, ask one of the sides people and they will point you in the right direction.

**Winning** chances are only limited by the amount of numbers you purchase, the more you have the better your chance of winning.

**Worthwhile** it certainly is, since its inception the 200 Club has donated over £40,000 to Christ Church to support its Ministry and Good Causes.

# The king who said no

As soon as Moses was old enough, he went to live with the princess in the king's palace.

But he did not belong there. He was one of the people of Israel. The king of Egypt made the people of Israel slaves. Men with cruel whips made them work harder and harder.

Moses tried to help, but only made the king angry. So Moses ran away, far away, to another land, where he worked as a shepherd. One day, when he was minding the sheep, he saw something very strange. In the middle of a bush, a fire burned. He could see flames – but the bush was not burned up.

Moses went closer. Then he heard a voice, calling his name: “Moses! Moses!” God was speaking to him. “I have a special job for you,” God said. “I know all about the cruel king of Egypt and the horrible things he does. The people of Israel are my people. Go and tell the king he must let my people go.”

But Moses did not want to. “I can't do that,” he said. “The king of Egypt is very angry with me.” “You can do it if I help you,” God said. “Tell my people what I have said. Tell them it's time they had a land of their own. If you are afraid, take Aaron with you.”

Moses and Aaron went to see the king. “God says, ‘let my people go.’” “God, Who is God? I don't know your God,” said the king. And he made the Israelites work harder than ever. So God sent Moses to warn the king. “Let my people go, or I will send a terrible disaster. You will have no clean water to drink.” The king said no. And there was no clean water to drink – just as God said. *Disaster number one.*

Again God sent Moses to warn the king. “Let my people go, or I will send a terrible disaster. There will be frogs everywhere: frogs in the soup, and frogs in bed with you!” The king said no. And there were frogs everywhere – hopping and jumping. Frogs in the soup and frogs in the beds, just as God said. *Disaster number two.* “Please get rid of these frogs!” begged the king. So Moses asked God, and God got rid of the frogs. But the king did not let God's people go.

Again God sent Moses to warn the king. “Let my people go, or there will be gnats all over the place – nasty little biting gnats.” The king said no. And there were gnats all over the place. *Disaster number three.* “NO! NO! NO!” shrieked the king, “I still say NO.”

Then the disasters came thick and fast: *four, five, six, seven, eight, nine... TEN.* “YES! YES! YES!” groaned the king at last. “Tell GOD I will let his people go – and good riddance. If only he had said yes before!

The people of Israel got ready to go. They were leaving Egypt for ever. They would never be slaves again. They were going to a land of their own. God had set them free.

# PCC REPORT

Report from the meeting of the PCC on 10th June, to discuss arrangements for appointing new vicar.

The PCC has been busy undertaking the necessary legal formalities for a new Vicar to be appointed. No steps could be taken until Sue had left. There is then a time-table for action, set out in church legislation. The PCC met on Sunday, 11 June to take this forward and in particular with two important matters:

The PCC had to prepare a "Parish Profile", a document which enables a potential applicant to see what kind of church we are, what our priorities are and giving considerable detail about the Parish, its place in Gravesham and our relationship with other churches. This was prepared by a sub-committee and approved at Sunday's meeting. It will be made available on our web-site as soon as we receive approval from the Diocese.

The PCC also had to select two of its members to represent the parish in the process of interviewing and selecting our new Vicar, together with the Bishop

or his representative and the Area Dean. At our meeting Jan Osborne and Andy Nailor were chosen.

Any priest currently in post elsewhere will have to give three months' notice, although this may be varied by agreement with his/her Bishop, so we have to accept that we may be reliant on the sterling service of Karen and Jacqueline for some time yet.

We have a strong team here in Christ Church and a supportive congregation. We are confident that we will pass on a parish in good order and heart as we move into the next phase of our life here together.

We will keep you up-to-date with developments in the selection process. Please feel free to contact me if you would like any further clarification of the above.

For information, the PCC has agreed that we will publish a report on PCC Meetings in the future, on a regular basis.

## Organic and fair trade chocolate

Chocolate may be easy on the tastebuds, but its production is no easy task. Almost ninety percent of cocoa that goes into this delicious treat is grown on small farms in developing countries, providing a livelihood to over six million farmers. Despite offering employment to many, there are few benefits for cocoa farmers and many still live in poverty.

Buying fair trade chocolate ensures that the industry is sustainable.
